15 TIPS FOR THE SAVVY TRAVELER

FIRST! USE OUR TRAVEL CHECKLIST

And check things off so you can see what you still need to do/get/include.

REMEMBER "3-1-1" CARRY-ON LIQUIDS RULE

Liquids (lotions included) must be less than 3 ounces, in a 1-quart clear bag, 1 bag per person.

NEVER PUT IMPORTANT ITEMS IN CHECKED LUGGAGE!

Your valuables are always safest with you. If your luggage gets lost, you'll have your important items with you.

LIQUIDS MAY LEAK DUE TO AIR PRESSURE

Pack them in snack size baggies to prevent accidental spillage.

KNOW YOUR AIRLINE'S BAGGAGE RULES

So you won't be surprised by baggage fees, size limits, and weight restrictions.

CHECK THE WEATHER

And know the climate you'll be visiting so you don't overpack.

LAYERING CLOTHING IS SMART

For all types of weather - it saves room in your suitcase for souvenirs, instead of packing bulky items.

USE FRESH, CLEAN SHOES AS PACKING CUBES

Save space by putting small items like socks, ties, scarves, tech cords, costume jewelry, etc. in them. I always put these items in baggies and then put them in shoes, just in case they're gross on the return.

COMPRESSION PACKING BAGS ROCK!

They help stay organized, save space, and are waterproof. Pack them by outfit to save time deciding what to wear while traveling. Include any and all accessories with each outfit.

PACK SHOES IN BAGS

that come with higher end shoes, plastic grocery bags or even cloth drawstring bags (sold to hold bed sheet sets) to keep things intact and your other items free of shoe debris from your travels.

ZIPLOC BAGS, RUBBER BANDS & BUNGY CORDS ARE YOUR FRIENDS!

Use Ziplocs for packing & separating liquids, leak proofing, separating clean/ dirty clothes, holding hairdryer/curling iron/phone cords with rubber bands or even hair ties.

PUT HEAVIER ITEMS NEAR SUITCASE WHEELS

Heavy denim or shoes packed on the bottom will keep luggage level so it will not topple over.

SAVE SPACE FOR SOUVENIRS

Leave a bit of empty space in your suitcase — you'll need it! Wrap them in your sweaters for protection.

PUT DRYER SHEETS IN BETWEEN YOUR CLOTHES

To keep your things smelling fresh and help prevent wrinkles.

BUY A GOOD QUALITY "AROUND THE WORLD" ADAPTER

It'll save money over time and can be used anywhere.
